An accomplished musician and performer, JASON MILLAR'S compositions can be heard on numerous short films, animations, websites and multimedia presentations. His ability to convey **mood** and **atmosphere** in a provocative, **contemporary style** has been described as 'unique', 'inventive', 'textured', and 'modern'. Jason creates these soundscapes using skillfully crafted grooves, lush synths and layers of atmospheric guitar and piano.

Jason has over 10 years experience as a songwriter, producer, guitarist, keyboardist and vocalist for bands Lalo, Flavoured Sounds and Lumia. His music has gained national airplay and cd's have been featured on commercial and public radio.
